
The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Please read the FEHB Plan brochure RI 73-828 that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations and exclusions set forth in the FEHB Plan brochure**. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at www.AetnaFeds.com, and view the Glossary at www.cciio.cms.gov. You can call 1-888-238-6240 to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Participating: Self $1,500/ Self Plus One or Self & Family $3,000. Non-Participating: Self $2,500/ Self Plus One or Self & Family $5,000.	Generally you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible?	Yes. In-network preventive care is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Participating: Self $4,000 / Self Plus One or Self & Family $6,850. Non-participating: Self $5,000/ Self Plus One or Self & Family $10,000.	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, health care this plan doesn't cover & penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.aetnafeds.com or call 1-888-238-6240 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider & you might receive a bill from a provider for the difference between the provider's charge & what your plan pays (balance billing).

Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
