

Important FEHB information

Dear < First name >

My name is Susan Allgood. I'm an Aetna® representative dedicated to FEHB members like you. With Open Season around the corner, it's time to reconsider which Aetna health plan makes the most sense for you.

We're glad to have you as an Aetna member through the Federal Employees Health Benefits (FEHB) Program. **But since you are also paying for Medicare, here are some facts for you to think about:**

- 1 We offer several plans through FEHB, but not all are designed for retirees who have Medicare Parts A and B.
- 2 Our Aetna Advantage plan has a lower premium than your current Aetna Open Access plan.
- 3 Switching to the Aetna Advantage plan through FEHB, will allow you to opt-in to the Aetna MedicareSM Plan (PPO) with an extended service area (ESA).
- 4 The Aetna Medicare plan has no deductible, \$0 copays for most medical care, prescriptions as low as \$2, and \$75 a month to reduce your Part B Medicare premium.

I enjoy helping our retired members, explaining their benefits, and just talking with them about life. They provide a great perspective, and we both benefit by listening and engaging.”
